

Child's Plan: Decision-Making Flowchart

Wellbeing Indicators/ My World Triangle
Wellbeing needs may be identified via your own observations/ assessment, by receiving information, or be raised by a child/young person/parent/carer/ professional/someone else

Ask Yourself the 5 GIRFEC Questions

Could the Named Person provide information/advice/support, help to address the child or young person's wellbeing needs, or access services?

Adult Services: It may be the support provided to an adult who is a parent/carer/significant other which helps reduce impact on a child/young person's wellbeing

A targeted support/intervention is one which is not generally available in universal services or is provided by a targeted/ specialist service/org

Refer to Aberdeenshire Information Sharing Guidance/Flowchart

Always base decision-making on what is most helpful to a child/young person and family
